Stop immediately. You are not counsel of record and you want to file a response? (**It's an amicus declaration. See attached M / Leave describing the court's discretion here**)

Do not do so. It is contemptuous at best and malpractice and could injure the client at worst. (**I don't see anything in there that could injure the client. Plus, I have no desire to do so. Finally, if you can point something out that needs to be taken out, I will be happy to do so.**)
